The League of Women Voters of Wayland during the current year has adopted for its local program "a field study of Town Boards and Committees and the means of communication between the Town Boards and the citizens."

In order to carry out this program, the following members have been appointed as Chairmen of small committees to attend the meetings of the Town Boards, and to study their functions and history:

Mrs. Kemp B. Reade	Selectmen
Mrs. George P. Little	School Committee
Mrs. Roy Fine	Library Trustees
Mrs. Allan White	Board of Health
Mrs. John T. Bennett	Planning Board
Mrs. Norman B. Cochran	Redevelopment Authority
Mrs. Loring H. Raymond	Finance Committee
Mrs. Wayne Erickson	Zoning Board of Appeals
Mrs. Paul Pontecorvo	School Building Committee
Mrs. John D. Quackenbos	Town Government and Condemnation Comm.
Mrs. Charles Owen, Jr.	Park Commissioners

As observers, they will not take any part whatsoever in any of the discussions or deliberations of the town bodies.

The League is hopeful that the Town Boards and Committees will feel free to request the League for its help in their communications with the townspeople. We welcome the opportunity to help all individuals become more informed and more effective citizens.

Sincerely yours,

WAYLAND, MASSACHUSETTS

Mr. Hugh Colliton, Jr., Chairman
Board of Library Trustees
Brackett Road
Wayland, Mass.

Dear Mr. Colliton:

The League of Women Voters of Wayland will hold its annual Town Budget Night on Thursday, March 1, 1962 in the Little Theater of the High School.

This year, we hope to have a member of each town board sitting on the panel of experts so that each board may have the opportunity to answer questions regarding its Budget.

You (or your representative) from the Board of Library Trustees are cordially invited to participate in this group.

We would be pleased if you and your wife would join us for dinner in the Commons of the High School at 6:30 p.m. before the meeting. Your hostess will be Mrs. Roy Fine of the Local Observers group who will call you in a few days for your reply.

Because of the great advantage to voters to have the budget adequately explained before town Meeting, we earnestly hope that you will be able to attend.

Sincerely yours,

Joanne Davis

Dear *Mrs. Allison:*

The League is midway in its "field study of Wayland's town boards and committees and the means of communications between the Town Government and its citizens," and next month our committee members will start presenting their material to the 150 members of our discussion units. If there are any particular points pertaining to your committee you would like to have us consider, would you jot them down below, and return to us in the enclosed envelope? e.g. - any problems which we as voters should know about - any suggestions for better communications - any activities not sufficiently understood by the townspeople - or any other topic you would like to have included in these meetings. (If you would rather talk to us personally, would you call EL 8-2465, Quackenbos, or EL 8-4852, LeBaron.)

We also want to thank you most sincerely for your courtesy and cooperation during the past six months.

Very truly yours,

Anne Quackenbos
